Taizé is an ecumenical community of religious brothers in eastern France. Since the 1960s it has been a place of prayer, pilgrimage and encounter for thousands of young people from all across the world. A week in Taizé involves sharing in the brothers' life of prayer, meeting in discussion groups with other young people and contributing to the work involved in welcoming the pilgrims. Taizé is best known for its simple, peaceful style of meditative singing and prayer. If you want to know more, please check the Taizé website (www.taize.fr)
